52ND ANNUAL ARIZONA RURAL HEALTH CONFERENCE

The Arizona Center for Rural Health (AzCRH) core mission is to improve the health and wellness of Arizona's rural and underserved populations.

For more 50 years the Arizona Center for Rural Health has hosted the Annual Arizona Rural Health Conference, making it one of the longest continually running rural health conference in the United States. The Arizona Rural Health Conference provides an environment for networking and dissemination of pertinent information among professionals and community members from rural Arizona and the Southwest.

A statewide planning committee advises on the theme, presentations, presenters and tracks for the conference. The conference engages stakeholders, experts, participants and presenters sharing their interest in rural issues, building and strengthening partnerships and discussing best practices, projects and programs in a variety of breakout tracks, workshops, presentations, general sessions, exhibits and pre- and post-conference sessions. Exhibitors, presenters and participants play important roles in this event and have opportunities to show how their organizations, services, products and innovations can enhance and advance the health of rural populations. The record breaking June 2024, 50th Annual Arizona Rural Health Conference had more than 400 attendees.

Join this year's Sponsorship Program and have an enhanced ability to reach healthcare industry and community leaders. Choose from a bundled option at the Platinum, Gold, Silver, Copper, or Bronze levels.

By sponsoring Arizona Rural Health Conference, you will have opportunities to:
Cultivate relationships with Arizona's rural healthcare leaders.
Connect with community and healthcare decision makers.
Achieve insight into Arizona's rural healthcare community, including strengths and issues.

The conference addresses health care issues relevant to rural and tribal communities, fosters collaboration, highlights statewide program and projects, and provides networking opportunities. Attendees include health care providers, hospital & clinic administrators, academia, county health representatives, state & local leaders, and others.

Your financial support will allow us to continue to offer scholarships (lodging and waived registration fee) and maintain an affordable registration fee which includes conference materials, presentations and meals.
